## WALL MOUNT SOLUTIONS

AVTEQ's PS-100 Series wall mount system is designed to mount one or two flatscreens with video conferencing equipment to the wall creating a clean, sophisticated look. This adaptable system easily adjusts to the specific requirements of each installation. The PS-100L with CTR shelf has the ability to position the camera anywhere along the vertical range of adjoining screens, optimizing the video conferencing experience by achieving an eye to eye look with the camera.
